Direct action implies one's acting for one's self, in a fashion in which one may weigh directly the problem with which you are confronted, and without needing the mediation of politicians or bureaucrats. If you see some bulldozers about to wreck your house, you engage in direct action to directly intervene to try to stop them.

In the best tradition of participant-observation, anthropologist David Graeber undertakes the first detailed ethnographic study of the global justice movement.

## **Direct Action: An Ethnography - Wikipedia**

The DAN people and other anarchists responded by forming their own autonomous direct action working group of the coalition—calling it, appropriately enough, the “autonomous direct action working group,” or AUTODAWG—with its own listserv and separate meetings. AUTODAWG, we decided, would send one representative to the coalition meetings each week, but otherwise we would work together, much like we’d expected the original DAN working group to do.

## **Direct action: an ethnography - LSE Research Online**

Anthropologist David Graeber undertakes the first detailed ethnographic study of the global justice movement. The case study at the center of Direct Action is the organizing and events that led to the one of the most dramatic and militant mass protests in recent years—against the Summit of the Americas in Québec City. Written in a clear, accessible style (with a minimum of academic jargon), this study brings readers behind the scenes of a movement that has changed the terms of debate ...

## **Direct Action: An Ethnography by David Graeber**

Abstract. In the best tradition of participant-observation, anthropologist David Graeber undertakes the first detailed ethnographic study of the global justice movement. Starting from the assumption that, when dealing with possibilities of global transformation and emerging political forms, a disinterested, "objective" perspective is impossible, he writes as both scholar and activist.

Author Biography. David Graeber is an anthropologist and activist who currently teaches at the University of London and has been active in direct-action groups, including the Direct Action Network, People's Global Action, and Anti-Capitalist Convergence.

### **Direct Action | The Anarchist Library**

(8/10) In Direct Action, David Graeber sets out on what is ostensibly an anthropological ethnography of anarchist politics and the anti-globalization movement. As an active participant in these movements, Graeber offers a lot of insight into both the nuts-and-bolts preparation for major protests and the larger understanding of the world that shapes anarchist praxis.
