Nancie Atwell calls it “the reading zone” — that space in time when students get
“lost in a book” and are not aware of the passing of time. This zone experience is
one that all readers need to have to become passionate about reading.

"Realistic problems and vivid depictions of family and city life make this middle-grade debut stand out." It reminded me of how I teach my kids to write their personal narratives-to end strongly with what Nancie Atwell calls a "so-what." In my humble opinion, Moore is capable of more than a ten year old's 1-2 punch. "when you die, they bury you, but your soul flies to the stars. Your

I am not a well-read reader when it comes to middle grade novels and so this book did not suit me so well due to the level at which it was at. But this was a book that I wish had been put in my hands when I was in that middle-grade books stage, just to see black kids not for any other reason. This book and its characters came alive with its cast of marginalized characters. I loved reading a
