Harry Potter | Harry Potter illustrated books - J.K ...

No, Next can not hold a candle to these science fiction classics, but it is the same kind of book, and it is poignant for its time. The fact is, Crichton writes satire, and the general perception of him does not accept this. Next is both silly and excellent. More importantly, I lear

Edition - definition of edition by The Free Dictionary

The first time a publisher releases a new book, all copies of that book printed without major changes can be considered a first edition book. If the initial print run - known as the 'first printing' or 'first impression'- sells out and the publisher decides to produce a subsequent printing with the same typeset, books from that second print run can be described as a first edition, second printing.

Book Collecting Guide: Identifying and Collecting First ...

Book club edition. A popular book is sometimes re-issued under the imprint of a book club. Often it is a new setting and with cheaper paper and binding. Any photographic illustrations in the original are either absent or reduced in number. Book club editions are sold to members at a good discount compared with the original issue price.

Signed and Special Edition Books | WHSmith

In publishing terms, an edition is technically all copies of a book that were printed from the same setting of type and the book is only described as a second edition if substantial changes are made to the copy. However, in collecting terms, a very rough description of first edition would be when it is the first appearance of a work in question.
